Project ID: 3300-00-03/73

WIS 89

City of Lake Mills, Town of Aztalan, Town of Lake Mills, Town of Jefferson  
Jefferson County

Dear Property Owner,

Please join us for a public involvement meeting to discuss the WIS 89 Roadway Construction Project / Project ID 3300-00-73 located in the City of Lake Mills, Town of Aztalan, Town of Lake Mills, and Town of Jefferson between US 18 and County A in Jefferson County.

The meeting is scheduled for Tuesday, August 25 from 5:00 PM to 6:00 PM at the City of Lake Mills City Hall in the Council Chambers Room (200D Water Street, Lake Mills, WI 53551). A brief presentation is scheduled to begin at 5:00 PM. The remainder of the meeting will follow an open house format.

The purpose of the WIS 89 Roadway Construction Project is to address deteriorating pavement on WIS 89, improve safety at the US 18 and WIS 89 intersection, update guardrail to current roadside safety standards, and replace failing wingwalls. Currently, the WisDOT design team is early in the design process and is seeking public input. The meeting will provide preliminary visual representations of proposed improvements with additional analysis. A copy of the presentation will be posted on the project website after the conclusion of the meeting at: <https://projects.hub.wisconsindot.gov/pages/330000003>

We look forward to meeting with you. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting me at least three working days prior to the meeting.

If you have any questions, or if you cannot attend the meeting, but would like to find out more about the project, please contact me at (608) 246-5406 or [craig.hardy@dot.wi.gov](mailto:craig.hardy@dot.wi.gov)

Sincerely,

Craig Hardy, P.E.  
WisDOT Project Manager
